

As the Debt Centre approaches its final few months, we show no signs of slowing down! We are fully booked into June as we press on in serving our local community. This is a welcome relief for me personally as we continue to see the fruit of our works and seeing out the final few weeks with a bang. Furthermore, a reminder that Debt Coach, Fiona Lamont, will still be active in East Kilbride and will be attached to the Wishaw Debt Centre (not Motherwell!).

Another reminder that CAP's United Conference will take place on **Thursday 19th June from 9:30am-4:00pm** at the **Lowport Centre, Linlithgow**. If you would like to reserve a place, you can do so by following the instructions on this link: <https://brushfire.com/capuk/united25/578485/details> or, alternatively, you can contact myself on 07305 181820 to discuss further.

As always, it's nice to share a client testimony so, with her permission, I thought I would share a little bit about Gina. Gina is a single mum with two children who has always done her best to provide for them. Like many other of our clients, Gina found herself with debt owed to multiple creditors and had not been able to work out a way forward. Gina then took the steps to take back control of her finances by calling CAP. We were then able to take her through our process and find a solution that was right for her. Gina is now back in control and able to put all her focus once again into bringing up her children without having that constant fear of demand letters coming through the door.

Gina is one of many clients who have felt the very real impact of debt. It was such a privilege being able to explain just exactly how it was we could help and then even more of a privilege being able to deliver on our promise. Watching clients like Gina being able to regain control of their finances has genuinely been such a huge piece of job satisfaction experienced and one that I will miss when I leave post in August.

Best Wishes, Alan and the team
